

Video orders form for the show ***From 'Page to stage' 2026***

Dear Parents,

We have a new video filming company this year with a different set up to our previous show recordings.

Most companies now only offer an HD Online Video Delivery (which works like Netflix).

This works through a link to your email address making a secure account with a unique username and password.

You can watch the show as many times as you wish through this online delivery.

To place your order please fill in the form below and return to Miss Haynes as soon as possible, preferably before the show.

Orders placed after the show may not get processed.

You can order as many as you wish for family or friends.

Each order costs £20

Payment in cash or Bank transfer to the TOZER SHOW Account (not dance fee account) as follows:

Sort Code: 20-50-21

Acc no: 10501948

Thank you!
